Welcome to the Event Space

by **The School of Positive Psychology**

Located in the heart of Bugis at DUO Galleria, Healio offers a professional and versatile environment designed to inspire leadership, connection, and collaboration.

Purpose-built for corporate learning, strategy sessions, and workforce development, our modern event spaces provide an ideal setting for organisations to host high-impact meetings, executive retreats, and professional training. The contemporary layout and calming aesthetic promote focus, creativity, and meaningful dialogue among teams.

A brand by The School of Positive Psychology, Healio is dedicated to helping organisations cultivate resilience, empathy, and purpose in the workplace. Grounded in the science of human development, we design learning environments that support transformation — both at the individual and organisational level.

Whether you're hosting a leadership workshop, client event, or cross-functional offsite, our spaces are thoughtfully designed to help teams connect, reflect, and grow together.

A central, inspiring space for purposeful learning and collaboration.

Arrival & Library Space

Mixed Standing and Seating Capacity: 20 pax

Stepping into the event space, guests are welcomed by a bright and contemporary setting that opens into the Library — the central gathering point of our space. Bathed in natural light and accented with warm wood finishes and a distinctive orange ceiling, the area offers a modern, polished first impression for visiting teams and clients.

Designed to encourage connection and collaboration, the Library functions as a versatile pre-event or networking space. It can be styled for coffee breaks, casual discussions, or light catering setups between sessions. Comfortable seating, open shelving, and ambient lighting create an inviting atmosphere that naturally supports conversation, relationship-building, and flow throughout the venue.

Arrival & Library Space

Mixed Standing and Seating Capacity: 20 pax

Located along the main corridor, the Pantry serves as a convenient link between the Library and Classroom 1. Equipped with a sink, microwave, and water dispenser, it provides easy access to essential amenities for facilitators and guests throughout the day.

Adjacent to this area are two small meeting pods, each accommodating up to four people. These enclosed pods are ideal for private discussions, mentoring sessions, or preparation before workshops.

Practical and well-positioned, this section connects the social and learning areas of the venue, allowing a smooth transition between sessions and spaces.

Pantry & Meeting Pods

Meeting Pods Capacity: 3-4 pax each

Pod A (Left)

Pod B (Right)

Situated along the main corridor, this event space is a flexible learning and collaboration space accommodating up to 20 people in a mixed standing and seated setup. It's well-suited for a pre-function area supporting larger events, or a smaller discussion and breakout area.

Two enclosed meeting pods within the room provide quiet zones for private discussions, one-to-one coaching, or preparation before sessions. This configuration allows facilitators to move seamlessly between group activities and focused work, making this space an adaptable space for both structured and informal learning formats.
